

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF MISSOURI
EASTERN DIVISION

AMC CENTURION AB,

Plaintiff,

vs.

GALTRONICS, LTD., and
GALTRONICS USA, INC.,

Defendants.

Case No: 4:07-cv-00509-JCH

**STIPULATED EXTENSION FOR MODIFICATION OF
CLAIM CONSTRUCTION SCHEDULE**

Pursuant to the Court's Amended Case Management Order filed on October 9, 2007 (docket no. 20), Plaintiff AMC Centurion AB ("AMC") and defendants Galtronics, Ltd. and Galtronics USA, Inc. (collectively "Galtronics") request certain modifications to the deadlines for disclosures relating to the *Markman* phase of the case. The requested modifications do not affect the hearing date or the date by which the Court will receive materials pertinent to its review of the issues in advance of the hearing.

Specifically, Galtronics proposes, and AMC agrees, to reschedule the due date for disclosure of claim construction experts and any corresponding expert reports to February 13, 2008 and to advance the date of exchanging proposed constructions so that the expert disclosures are served after the parties have an opportunity to narrow claim construction issues in the case. While this modification changes several dates, the parties' requested modification of the Amended Case Management Order will not affect the deadlines related to the *Markman* briefs or the *Markman* hearing.

For ease of reference, the parties provide the Court with all of the claim construction deadlines in the chart below, and have bolded the deadlines for which the parties request an extension or modification of the Amended Case Management Order.

Both parties exchange proposed constructions and extrinsic evidence, besides expert witnesses, to support such construction for all identified terms	February 21, 2008	February 13, 2008
To the extent that a party uses an expert witness in the Markman briefing or hearing, that expert must be disclosed, and any report required by Rule 26(a)(2)	January 14, 2008	February 22, 2008
Both parties shall disclose any rebuttal experts and shall provide the reports required by Rule 26(a)(2)	January 28, 2008	March 10, 2008
All parties shall make Markman expert, witnesses available for depositions	March 14, 2008	March 20, 2008
Both parties file a Joint Claim Construction Statement	March 20, 2008	March 27, 2008
AMC will file its opening Markman brief	April 7, 2008	April 7, 2008
Galtronics will file its opposition brief	April 28, 2008	April 28, 2008
Any reply brief will be filed	May 9, 2008	May 9, 2008

The parties agree that they will be prepared for a Markman hearing	May 29, 2008	May 29, 2008
--	--------------	--------------

In the interest of efficiently advancing the litigation, the parties respectfully request that the Court grant this schedule modification.

DATED: January 3, 2008.

SO AGREED AND STIPULATED.

SO ORDERED.
